Subj The Vagrancy Act of British India is not in force in Mysore nor is the subject under consideration of our legislative council. If the presence of such undesirable vagrants were thought dangerous in the G.R.D. Fields area, a provision of Rs 50/- per annum was made in the Budget of the H.G.F. Assistant Commissioner's Magistrate's Court, vide Govt. Memo. No. R. 5399-400 Chpi. 88-10-4 dated 23.3.1911. This was being shown in the Budget as a separate sub head "Charges on account of Vagrants" under Courts of Law (9) Chief Magistrate's Courts file 1916-17. From the year 17-18, all the various sub heads were clubbed together into 2 or 3 broad major heads under the Budget & revised Budget estimates with the result that this charge on account of Vagrants merged into the Contingencies.

30) The necessity for making provision for such expenditure has been accepted in para 10 & 11 supra; and the Dewan has enquired whether it cannot be covered by the met from the contingencies of Dt Magistrates.

(31) There is no information in this office about the contingent grant allowed each Dt Magte; and the total amount being mentioned in the budget. SIR, General Department.

In forwarding herewith a copy of petition presented in this office today by D'Silva and O.F.D'Silva, Natives of Ceylon, praying for assistance under the circumstances explained in the petition, to get back to their native place, I have the honor to state that as these two people appear to be helpless, I have paid them Rs. 3-9-6 from the office Imprest to enable them to proceed to Bangalore and to seek further help from the "Friend in need Society" to get back to Ceylon. I request that you will be so good as to obtain the orders of Government to the expenditure incurred by me under the circumstances and to instruct the Comptroller to authorise me to draw Rs.3-9-6 from the Treasury for adjustment of the permanent advance. A permanent advance for this purpose necessary in this office as I have on former occasions ha to pay these charges out of my own pocket.

Issued 1.10.22

Application dated 28th August 22 from O.F.D'Silva, to the Deputy Commissioner, Mysore District.

With humble apologies for ~~introducing~~ intruding upon your valuable time, I beg to submit the following for your kind consideration and favourable disposal.

I beg to state that I have now been out of billet a considerable time, and have for the past month or two been living entirely on charity. The people who have lent me this help are now not prepared to do any more so that I now find both my wife and myself not only without shelter but also subject to starvation of a most cruel nature. I am a perfect stranger here, my birth place being Ceylon and have therefore no one here from whom to expect any further help.

As nothing but death through starvation faces me on all sides, I have endeavoured to get my benefactors to even collectively help us to leave Mysore, but no one is prepared to help us any further.

I feel confident that the above brief statement will give you an idea of the desparate state we are now placed in and how our position is daily growing worse. In spite of my best efforts ~~xxx~~ I cannot get any reliable advice from anyone as to the best step to take in this crisis.

I have therefore decided to take the only course which my shattered brains prompt me to, and that is to venture to respectfully place my miserable case before you and to pray that you will be graciously pleased to extend your sympathy to me and as an act of charity to direct me to any source from which I could receive even the trainfare necessary for both my wife and myself to at least reach Bangalore.

I again beg to offer my humble apologies for troubling you

you and feel confident that I shall receive your generous sympathy in my present destitute state, which I need hardly say shall always be remembered with sincere gratitude.

Thanking you most respectfully,

"C o p y"

SIR,

Adverting to your letter No.O. 2032/G.M. dated the 2nd/3rd October 1922, calling for a copy of the Government Order authorising the incurring of expenditure of the nature referred to in the letter under reply, I have the honor to state that there is no such order; but I suggest that the Deputy Commissioner should have an imprest for this, as otherwise he has to meet such expenses from his own pocket. The present expenditure may be sanctioned.

These being urgent matters, previous sanction of Government, it is impossible to obtain.

I have the honor to be,

Sir,

Refusal involves acceptance of this principle - Staff should be under beyond this Scale - Expense and Govt authorised to incur the expenditure a certain amount sanctioned - as an 'imprest' therefor - for this is either desirable possible is for orders -

2 If the expenditure is sanctioned, the source from which it is to be met is also for orders CSB

Order No. P. 6716-20/G3

Dated Bangalore 4/61 '24

Govt. direct that, ~~in very extraordinary circumstances~~, the District Magistrates ~~of Districts an~~ may incur minimum expenditure for getting out of their District undesirable vagrants. As no additional amount for incurring such expenditure can be provided for in the budget and as the expenditure under the head 'contingent charges' as disclosed from the statement received from the Registrar, Chief Court, is well within the budget allotment in all the Districts except Bangalore and Kolar, such charges may be met out of their contingent allotments. The Registrar, Chief Court

When very necessary

is requested to redistribute the contingent allotment to each District so as to leave a small margin to incur this expenditure if any.
